EXCEPTIONAL
CENTRAL LONDON
RECORDING STUDIO
1,700 FT²

DESCRIPTION

The studios have been built to a high technical specification and are presented in excellent condition throughout. Each studio comprises a control room, live room, and vocal booth, with one benefiting from an additional machine room and storage space. The layout also includes a fully fitted kitchen with a pantry and laundry area, a comfortable lounge space, and a private WC. The property is secure and easily accessible, featuring a separate entrance through a glass-fronted lobby with multiple access controls. A private lift provides disabled access directly to the studio level. The entrance door is steel-framed with triple locking, and the building benefits from CCTV coverage throughout. This property offers a unique opportunity for music producers, sound engineers, and creative professionals seeking a fully operational, acoustically treated studio facility in a Central London location — ready for immediate occupation and use.
